## Nominations Are Upon Us!

One of the ways to make a great club like ours even better is to put good people in a position to do more good things!

The national Academy of Model Aviation and our Bylaws require us to have elected officers in position to run the business of the club. Our regular October meeting is the time to make nominations for club President, Vice-President, Treasurer, and Secretary. These four officers make up our Board of Directors or BOD, as I like to say! The vote will be taken at the November meeting. Our December meeting Christmas party is the time to install the new officers. When it comes to issues concerning the club's finances, activities, investments, maintenance, discipline, safety, Bylaws modifications and much more, these are the people we depend on to help us move forward as a club. For these reasons, it's important for us as club members to put good people in place.

Unfortunately our

president, Matt Williams, will not be with us for the next year and we are sorry to lose him as he prepares to move to the Oregon coast. In that regard, an immediate need for nominations for a new president is at hand.

An ad hoc committee has been appointed to recommend a proposed slate of officers for the new year and will bring recommendations to the October meeting. If you have a person you would like to see in a specific office, please call or send an email message to the club webmaster or the newsletter editor. Or simply nominate your person at the October meeting.

Currently, we need to officially appoint next year's slate of officers, including President, Vice-president, Treasurer and Secretary. The Safety Officer, Newsletter Editor, Door Prize Coordinator, Webmaster, Public Relations Officer, Training Officer, and Contest Director volunteer their time to assist the BOD and

are appointed by the club or its officers. Those offices are up for nomination as well.

You might expect to receive a call from the ad hoc committee, and we hope you will consider what your contribution to club might be to help us stay active, relevant, and succeed in providing a safe and exciting flying experience. So please make plans to come to the October meeting with your ideas and your good spirit! Let's work together to put people in place to lead us on. Thank you to all current office holders.

*Dave Anderson

ccrcswebmaster@comcast.net

President **Matt Williams** called the meeting to order at 7:30.

Nominations for next year's officers will be held at the October meeting. President Matt Williams announced he would not be with the club next year.

September's meeting's minutes were approved.

Visitors included: Alan & Garrett Harstine and Brady Piper

**Steve Piper** reported we have \$4014 in savings, and \$2275.48 in our accounts. There are 122 current members

There is a trash issue at the field. Possible solutions included removing the trash can entirely. It was resolved that all members should be considerate and remove trash on their own, and that the trash could be emptied by any member at the fairgrounds facility.

**Dave Anderson** encouraged participation in the "Wet Wings" Float Fly October 8 at Tug Lake. .40, .60, quarter and third scale planes are welcome. Larry Tate will provide the rescue boat. There will be a \$15 landing fee.

**Tony** at Island Hobbies sent word he's having an Electric Plane Sale. John Shirron presented a list of the sale items. An e-mail notice was sent to all members with a registered e-mail address.

**John Shirron** presented pictures of an estate sale

#### **Randy Boardman**

announced plans for a fun fly on Sunday Sept. 18 at the field. Pilot's meeting is slated for 9 AM.

There was an announcement that the Fern Prairie Electric Fly In is this weekend.

**Dave Agar** substituted for Tom 'O' and talked about staying within the airfield boundaries as a safety report. There are too many stray airplanes over the pits and north of the field. He also admonished there should be no revving engines on the runway. Dave suggestion also that engines should be tuned at either end of the field not in the middle of the pits. Carter Strader suggested not wearing lanyards or any sort of neck strap while starting an engine as it may get sucked in by the prop.

One member reported a hazardous wasp infestation at the field. The membership voted to provide wasp spray cans to be put in the first aid box by Dave Agar.

**Luis Munoz** provided a "Cub Nuts" Review. There was a very large turnout including several CCRCS members. Luis reported he won a prize, a DeNight by Hanger 9 ARF.

#### **Broken Prop Stories:**

**Randy Boardman's** 1/4 scale Extra 260- suffered

complete and utter destruction due to dead battery.

**Wayne's Phillips's** Cub plowed into the ground, On another of his planes the rudder came detached as well as half of the elevator but he stayed with the plane and landed it on the runway to be flown again another time! Wayne won the broken prop award!

#### **Show and tell:**

**Randy Boardman** brought his Tiger moth Biplane.

**Dave Agar** brought his Dynaflyte P-82 Twin Mustang.

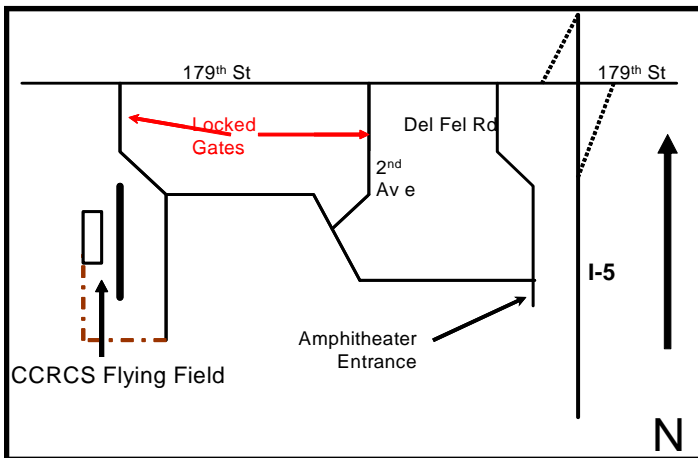

**William Wallace** brought his Giles 202.

**Ted Atmore** brought his P-63.

Meeting adjourned at 8:40

### Directions:

Exit 9 from I-5 (Battle Ground Fairground exit)  
Head west to 2nd Ave. There are two ways to get to the field. Spectators and club members can use the Amphitheater entrance (open from 8 AM. until 9 PM. most days).

If locked, club members can use the club entrance off of 2nd Ave. You must be a member and know the combination of the lock!

## MEMBERSHIP APPLICATION FOR \_\_\_\_\_ (YEAR)

*An Initiation Fee for new applicants and yearly dues must be paid when submitting this application, along with proof of current AMA membership. Proof of AMA membership requires presenting a current AMA membership card, or an online receipt for payment of renewal membership. Refer to [www.modelaircraft.org](http://www.modelaircraft.org), or call 800 435-9262.*

***Membership in CCRCS provides for the use of the club's airfield and facilities, access to organized club events, voting rights at club meetings and access to other special functions that may be provided throughout the year.***

### **Dues:**

*The Initiation Fee is \$20 for new members or members that have not renewed for the current year. The deadline for club renewals is the last day of February. Junior AMA memberships are exempt from this fee.*

*Dues are \$56 per year, or pro-rated at \$4.67 per month. (For example: Joining in June requires dues of \$32.69 / 7 months x \$4.67.) Initiation fees are still required for pro-rated memberships.*

*Any renewal sent in before March 1 each year will be discounted by \$5.00. Any additional member(s) of the same household receives a 50% discount on dues. Any person holding a Junior AMA membership is charged \$1.00 per year with no Initiation Fee.*

### **Applicant Information:**

Name: \_\_\_\_\_ Email Address \_\_\_\_\_

Address: \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

AMA# \_\_\_\_\_ Phone number \_\_\_\_\_ Radio Freq(s) used: \_\_\_\_\_

Preferred contact method: \_\_\_\_\_ Phone \_\_\_\_\_ Email \_\_\_\_\_ Mail

### **Applicant Agreement:**

I, the undersigned, have read and understand the AMA National Model Aircraft Safety Code, and will abide by that code, the CCRCS Bylaws and the CCRCS Field Operating Rules.

Applicant Signature \_\_\_\_\_

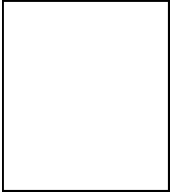

Submit or present this application along with the appropriate fees to the following contact. (Make checks payable to 'CCRCS'):

Clark County Radio Control Society members share a love of aviation and reflect it in building and flying model airplanes and helicopters. Feel free to contact us if you have an interest in model aviation or are just plain curious about the hobby.

If building or flying model airplanes or helicopters is not your main interest, you are welcome to come and watch our membership do their thing anytime our field is open for operation.

Our club offers a free introductory lesson and flight on our equipment for first time fliers at our flying field located at the Clark County Fairground.
