## The Clark Flyer November 2008

Wow, the holidays are here already. Where did the time go? It seems like I was just going from one weekend fly-in to another when all

of a sudden the rains came. Oh well, I'm sure we will still get some good flying done this winter and we can now get to those new plane projects that we've been putting off.

Well...the votes are in, the ballots counted and new, no, wait, I mean to say, mostly the same officers were voted back in for the up and coming 2009 flying season. I am honored to be your President for 2009, and we have a new Vice President, Randy Boardman, who is also, for 2009 our Contest Director. Randy did such a great job last year of CD that we had to have him back. Our Sectary for the new year is Dave Agar, and while he is not the official sectary for 2008, he has been doing the job, and I might say quite well too, so we asked him to do it again, and since there were no other nominees,

he won; kind of like the rest of us. : ) Steve Piper has been doing such a grate job as our Treasure; we just had to have him do it again. John, aka, "Raffle Guy", aka, "News Letter Editor" is so good at it, that he won the jobs hands down for 2009.

We have two new people that agreed to be appointees. For the job of Safety Officer, we have Tom O'Neal, who gave a nice acceptance speech, no, really, he was just giving us his thoughts for the up and coming year; some good thought there. For the never been had before job of Public Relations, wait for the drum role....Dave Anderson. When Dave asked me what does the PR guy do, I had to say that I wasn't sure; we've never had one before so I guess you get to make it up as you go. I'd like to give a BIG THANK YOU to the 2009 CCRCS Board members. THANK YOU!

Last, but not forgotten, our December meeting is also our Christmas Party, so check your emails for the registration sheet and get in your RSVP to Jim.

Happy Holiday's to everybody.

Luis
