The Clark Flyer February 2009

Well, the cold air has not quite yet yielded to the warmer weather yet. I know this because I was out flying this last weekend and while there was no snow, it sure felt like it could. So that tells me it must still be winter. And if it is winter, there must still be new projects on the work bench. There were a couple of new aircraft at the February meeting, but not many.

The meeting went well; if not a little late this time. It sounds like the new field signs are done and just need to

be put up. That will be nice. The old ones are looking pretty shabby to say the least.

If you still have a copy of last year's CCRCS Event calendar, then you have a copy of this year's too. Randy will be taking last year's calendar and transferring it to this year, and then we will get it published for all to see. The days will be similar, but the date will be a little different.

So for now, keep working on those projects so we can see them, and you at the next meeting.

Luis

A sampling of the group at the NW Hobby Expo. Thanks Chuck for letting us use your booth.

Meeting Minutes February 11th, 2008

Meeting called to order at 7:30 by President Luis
 Dave Agar was absent Jon Shirron Took minutes
 Guests: Jim Burns, heard bout us through the Newspaper.
 The Minutes from the last meeting were approved as posted on the web site.

Luis received an email asking for help for her father who needs helps getting to and from the flying field. Mike Akers volunteered to make contact and follow up.

Grant Lord has apparently made the new signs for the field. Dave Anderson will contact him to get them to the field and put up.

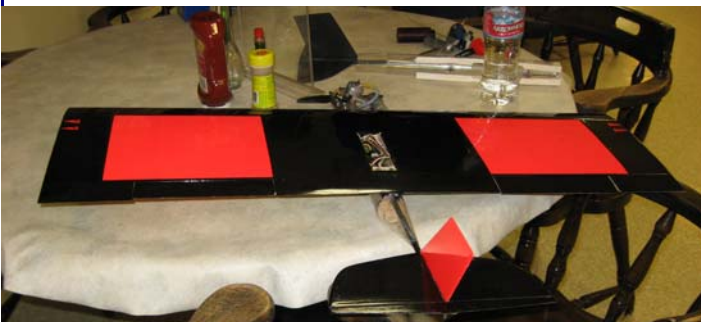

Luis asked for volunteers to revive the interest in putting on a RC Model show in the Vancouver area. If you are interested please contact John Shirron at jreshirron@wanet.com for more information.

more like a coordinator. If you see something unsafe it is your duty to point it out and stop it.

Randy Boardman brought up the fact that we need to introduce ourselves to anyone we see flying at the field we do not know. We don't know if the person flying is an AMA

Randy Boardman our current Contest Director stated that the event calendar wasn't quite finished. He held a meeting afterwards to work out the details. The event calendar will be posted at the field and on the web site.

Tom O'Neal talked about some safety items: Always secure your load when driving to and from the field. An accident could happen anytime and your fuel and batteries could make for a hazardous condition. He also mentioned an AMA incident web site. HE will do some more checking and report back on that. Tom mentioned that some people are using the taxiway for a runway. Please don't. Ted Atmore volunteered to repaint the stencils on the runway. People are also flying outside of the flying area. Please be aware of your planes location at all time. Tom reiterated that all club members are safety officers. He is

member or not. If they are not you must ask them to stop flying or you put the club at risk. If they are an AMA member but not a club member find out which club they belong to. You never know you might make yourself a new friend!

John Shirron talked about the NW Model Expo in Monroe. Maybe next year we can do a better job of carpooling.

Show and Tell:

Randy Boardman had his P-39 and a Great Planes Riot Bi-Plane

Tim Fynn showed us his racer designed by Ralph Suter.

Herb Reidlinger showed us his racer he designed himself. HE might be available in kit form eventually. HE also told us about pattern racing at Fern Prairie Field. Contact Jeff Parks for more info. www.fpmc.org

Glenn Nickelson showed of his Radio Controlled Yellow Submarine.

Glenn Nickelson name was picked for the criers raffle but he hadn't put his dollar in. The pot of \$90.00 rolls over to next month.

Chad Hertel won the raffle.

CCRCS MEMBERSHIP APPLICATION

2009

Applicants must be a member of the ACADEMY OF MODEL AERONAUTICS (AMA) before they will be accepted for membership in the Clark County Radio Control Society. (CCRCS)

The initial initiation fee and dues must be paid at the time of submission of application.

Dues are \$56.00 per year, or \$4.67 per month. (If you were to join in June your dues would be \$32.69) plus \$20.00 initiation fee. Any renewal sent in before March 1st will be discounted \$5.00. (\$56.00 less \$5.00 early renewal= \$51.00)

Any member of the same household or any person holding a Junior AMA Membership receives a 50% discount on dues!

YOU MUST submit a photocopy (or show proof) of your AMA card with this APPLICATION.

Applicant Information

Name _____

Address _____

City _____ State _____ Zip _____

AMA # _____ Phone# _____

Email Address _____

Radio Frequency (s) _____

Applicant Agreement

I, the undersigned, have read and understand the AMA National Model Aircraft Safety Code, and will abide by the CCRCS By Laws. Before flying my aircraft I will thoroughly understand the boundaries and rules of the CCRCS flying field

Applicant Signature _____ Date _____

Send this application and a check made out to CCRCS (along with a self addressed, stamped envelope if possible) to

CCRCS
