The Clark Flyer May 2009

As an incoming new officer I hope That the new growth of the club will continue as the season progresses and that we can become more involved with the community and have there interaction with us.

May everyone have a safe and enjoyable season of flying.

Mike

Meeting Minutes May 13th, 2009

Called to order at 7:30 by Secretary Dave Agar.

Minutes from last meeting were approved as posted on the web site.

Steve Piper was not present so no treasures report was delivered.

Dave Agar informed the membership of Luis Munoz resignation as President. Luis had cited personal problems as the reason for his resignation which took effect on May 3, 2009. The floor was opened up for nominations. Dave Anderson and Dave Agar were both nominated but both declined. Mike Akers stepped up to the plate and volunteered for the position. Mike took over as President upon completion of the meeting and will be brought up to speed on any outstanding issues at a board meeting prior to the next club meeting.

Our Club is having a war bird fly in on May 16 from 11 am to 2 pm.

Larry Tate has scheduled his fun scale contest for July 18 with a rain date of July 19. Larry has a pilot's meeting set for 8:30 with the first flight set for 9 am.

Dave Anderson asked for \$310.18 to purchase 1,000 new club brochures. The motion was approved.

Randy Boardman talked about Sunday night training night at the field. He is looking for help. Ted Atmore does training on Tuesdays and Dave Agar is available on Saturday or Sunday morning.

Safety Tom talked about safety in our

workshops at home. Tom was grinding some metal and realized that he had a gas can at his feet, with the sparks from his grinding falling all around the gas can.

May's Raffle:
Ultrafly Extra 330s ARF
Won by Bob Gebhart

Dave Anderson also told us about the results of being careless around spinning props. Dave is still recovering from his serious injury after only a split second of carelessness. Ted Atmore and Dave Yarde also mentioned painting your prop tips as a way to help you see your spinning prop. It is so easy to make a mistake that can ruin your life. Please be safe at the field and in your workshop.

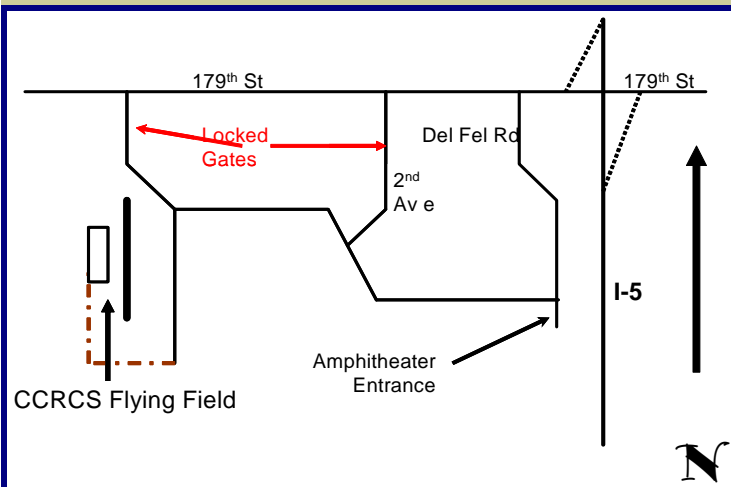

Show and tell was huge this month. We had a Buzzard Bombshell, a KMP Yak with gas engine, a Vintage Sig Skybolt, an electric F-4, a highly detailed yet very small electric Skyraider and a scratch built L-19.

The raffle was won by, man I hate it when I forget to write the winners name down.

Meeting adjourned at 8:30
